

The government, it has been stated, will not exempt any particular classes of industry from conscription, but will deal with cases individually. Individuals, however, whose work is considered necessary to preserve an economic balance will be exempted.

YOUNG BATAVIAN KILLED IN WRECK

Cyrus Benson, En Route to Harvest Fields, Meets Sudden End at Dawson, Minn.

Family Prostrated at News—Tracks No Turn Up Body Cannot Be Sent Home Until May 30.

Batavia, Ill., May 26.—Cyrus Benson, son of Andrew Benson of Elm street, was killed in a wreck near Dawson, Minn., yesterday afternoon. Benson left Batavia Monday night for Chicago and with Arthur Anderson and John Nelson left that night for the harvest fields of the north-west. Benson planned to work in the harvest fields during the summer months and then go farther north in the fall for his game hunting.

He resigned his position a week ago today at the Challenge plant where he had been employed all winter as a machinist. He had been accustomed to doing harvest work during the summer and then returning soon after Thanksgiving to resume his work indoors during the cold weather.

Cyrus Benson was 30 years old and had a host of friends. He was known far and wide as a hunter and lover of all kinds of sports. He had always made his home in this city and the members of his family are prostrated over the news of his death. There is an element of mystery in the death as there has been no word received from the two men who left here Monday night with Benson. It is thought possible that they had taken work east of Dawson and that Benson planned to go farther west to secure work and therefore was alone when he died. The telegram came late yesterday afternoon to Chief of Police Monahan from the coroner of Dawson. Benson had a card in his pocket giving his residence at 157 Elm street, Batavia, Ill. A telegram was sent at once by Andrew Benson, his father, telling them to ship the body at once to Batavia. The coroner, however, has since talked to George Burnett on the long distance telephone stating that the tracks are so badly turned up that it will be necessary before trial can pass, and therefore that the body would not arrive in Batavia before Wednesday morning.

Benson leaves to mourn his death, his parents, Mr. and Mrs. Andrew Benson; two brothers, William and Frank Benson; two sisters, Mrs. Fred Grimes of North Aurora, and Miss Cora Benson.

No plans have yet been made for the funeral and will not be made until further word is heard from the coroner at Dawson.

Exhibits Large Eggs.

Mrs. George Allen, who owns a farm east of this city, has on exhibition three unusually large eggs, laid by her blooded Rhode Island red hens. The three eggs weigh an average of three and one-half ounces each.

Funeral of Alfred Abramson.

Alfred Abramson, who died at his home in Union avenue Thursday night, will be buried from his late home, 168 Union avenue at 2:30 o'clock Sunday afternoon. The funeral will be held at the West Batavia cemetery.

Memorial Sunday Services.

Memorial Sunday will be appropriately observed tomorrow morning at 10:30 o'clock at the First Methodist church. The service will be held at the Congregational church. At 2 o'clock in the afternoon the pastor will speak at the girls' home at Geneva.

At the Zion Evangelical church the Rev. F. Theiss will preach at 11 o'clock. Sunday school will be held at 10 o'clock and there will be a sermon at 7:30 o'clock. The preaching will be in keeping with Pentecost and Memorial day. Young People's alliance will meet at 7 o'clock led by George Glenn. All are welcome.

There will be preaching at the Church of the Holy Trinity in the evening. The Reverend Mr. Mapheus of Chicago will deliver an address on "Christian Character." Services will be held Sunday morning at 10 o'clock. Preaching at 11 o'clock. Christian workers will meet at 7:45 o'clock and there will be preaching at 8 o'clock.

The Rev. T. M. Higginbotham will preach his last sermon in the Congregational church Sunday morning. The subject is "Remembered by What We Have Done." The young people's union will be held at 6:30 o'clock.

The Christian church will have regular Sunday morning service at 11 o'clock when the Rev. H. H. Leach will preach. Sabbath school at 10 o'clock and union services at 7:30 o'clock at the Congregational church.

Social and Personal.

Three candidates, Ernest Nelson, Edwin Nelson and August Lund were given the work in the third rank last evening in the Rowena lodge. K. of P. A buffet luncheon was served and a smoker followed. Visitors from Elgin, Aurora, Chicago and Lansing, Mich., were in attendance.

The members of the Batavia Concert band are visiting at the home of the Rev. and Mrs. F. A. Moon in Main street. Mr. Moon is the father of Mrs. Moon.

The members of the Eastern Star chapter are urged to attend the meeting of the chapter at St. Charles Sunday evening. The members will

leave here at 7 o'clock sharp.

The members of the Federal auxiliary of the G. A. R. are asked to meet at the west side transfer Sunday morning at 10 o'clock to attend Memorial day services at the First M. E. church.

The auditorium of the Batavia high school was packed last evening when the school children gave the annual concert. Much praise was given to Professor Schneider, the director, who said that the teachers all were entitled to the applause. The children all did very well and showed the result of careful training.

At the Churches.

The Rev. George S. McGarry, an official of the Aurora Y. M. C. A., will preach and conduct service in the Geneva Congregational church tomorrow. It is said that the Rev. Mr. McGarry has been asked to be a candidate for the pastorate of the Geneva church. A large attendance is desired.

Chicago Pedestrians Coming.

The Sinal Hiking club of Chicago will walk around Geneva tomorrow. Ordinarily these hikes help to keep the members of the club in good physical condition. Now the purpose is to prepare the young men members for the walking they will have to do later in the army and to enable the young women members to take up the work left by those young men when they have to go to war.

The party will ride to Geneva via the Col. George Fabyan's Riverbank Villa, deposit their baggage and then walk around until dark. After that they will hike south beyond Backus. Morris Berk, who is organizing these hikes, said only 60 will be taken tomorrow.

Miss Hermia Dow is home from Chicago where she graduated recently from a course in nurses' training at the Presbyterian hospital.

Invitations have been issued for the wedding of Miss Stella Johnson to Clarence E. Carlson which is to be celebrated at 4 o'clock, June 2. A number of parties have been given in Miss Johnson's honor.

Mrs. Elmer Beith, who has been ill at the Colonial hospital, has returned to her home at Paxton.

The pupils of the senior class of the Geneva high school who are to be graduated next month are giving much time to rehearsals for the class day exercises.

Dr. F. M. Marsteller and Charles Mead, who are in charge of the program for Memorial day, announced today that the program has been completed. Only a few of the G. A. R. members are left at Geneva.

Members of George Spaulding Post G. A. R. will attend the First M. E. church tomorrow to attend Memorial exercises. The Rev. J. H. Hall will preach the sermon.

PLAINFIELD

The Wheatland township graduating exercises held in the Grant standard school Thursday evening were attended by a large crowd. The

Misses Sundstrum from Joliet gave cornet and violin solos and played. Each grade took part. Thelma, McMicken gave the class prophecy. Other features of the program were: Essay, Allen Pennington; class history, Merrill Burkett; solo, "Perfect Day," Vera Leppert. County Superintendent F. M. Mulheg presented the diploma and gave a very interesting talk on "The American Flag." The program closed by singing "The Star Spangled Banner."

Jerry Fellows received word yesterday that his niece, Miss Ella Cook of Seattle, Wash., was killed in an automobile accident. No further details have been received.

A serious accident was averted yesterday by the quick work of Albert Brownson when he caught and stopped a team of horses belonging to Jacob Reisch. Mr. Reisch had driven up in front of the John King store and was loading some goods. He left the reins in the hands of a five-year-old son of Mrs. Badie Greenwood. The horses started to run and Brownson ran across the street, catching one horse by the bridle. He was dragged one block before he could stop them. The little boy hung on to the seat and was unhurt.

ALLEGED SCHOOL BURGLAR NABBED

Otto Wolgast of Kewanee Said to Have Broken Into St. Charles Building.

Is Captured by Police Shortly After and Ordered Held to Grand Jury.

St. Charles, Ill., May 26.—Otto Wolgast, 42 years old of Kewanee, went to the St. Charles high school. Ordinarily this would be no offense and not worthy of mention, but Otto went to the school at the wrong hour. His alleged purpose was burglary and instead of having school books Otto is alleged to have had a "jimmie," the customary tool of the burglar, used for prying open windows.

Otto's school career was of short duration. He is alleged to have ransacked some of the drawers of desks and to have found some money in the library. Then he retired.

The high school burglar was seen by some St. Charles residents. The police were notified and Patrolman Edward Left responded. He found Wolgast after he is supposed to have left the school and took him to jail.

Wolgast was given a preliminary hearing this morning before Justice of the Peace E. P. Phillips and he was ordered held to await the action of the grand jury. In default of bonds he was taken to the county jail at Geneva. It is believed that the grand jury now in recess, will hear evidence against him next week.

It was the first case for Justice Phillips and those who witnessed him conduct his court reported that his judicial bearing was true to form. St. Charles is becoming a most unhealthy place for burglars. Several have been captured within the last few years.

Pupils in Recital.

Mrs. Eva Hunt Lacey presented a group of her pupils in piano recital last evening in the public library hall. Mrs. Lacey was assisted by Mrs. Edward P. Mitchell, who sang with her usual charming interpretation.

The pupils taking part represented the different stages of training but each was able, thru the help of a carefully arranged program, to register a definite impression of attainment, and by their respective performance, to reflect credit where credit is due. The program was characterized throughout by clearness and carefulness of execution, made doubly delightful and interesting by frequent instances of that irresistible naivete which is the especial province of children.

The recital was attended by 125 interested parents and friends. Those taking part: Lois McCornack, Florence B. Fisher, Grace L. Lucie, Grace Larson, Ruth M. Norris, Dorothy E. Glos, Stanley F. Mayer, Mrs. Edward P. Mitchell, Edna G. Haas, Miss A. Lamb, Marion L. Miller, Clark A. Peole, Helen D. Gabrielson, Marie E. Hanson, Marie M. Christensen, Ruby Simmons, Ruth V. Curtis, Bonnie Jean Frazier, Lois McCornack and Mrs. Eva Hunt-Lacey.

At the Churches.

The Rev. F. C. Neitz, pastor of the Congregational church, announces services tomorrow as follows: 10:30 a. m. worship and sermon by the pastor; 12 o'clock, Sunday school under the superintendency of Earl Mil-lers; 7:30 p. m., illustrated address upon "Hawthorne." The address will be supplemented by a series of beautiful views. The public is invited.

Social and Personal.

A barn dance will be given this evening at Carl J. Jakes on the Judd farm, one and one-half miles east of St. Charles. Everybody welcome.

PLAINFIELD HOLIDAY OWING TO BALL GAME

Plainfield, Ill., May 26.—All the business houses in Plainfield closed yesterday from 2 to 5 o'clock and enjoyed a ball game at Electric park. The business men played the high school team with a score of 14 to 7 in favor of the school. Promptly at 3 o'clock a parade was formed at the school house and all marched to the park. The high school band furnished the music. The admittance fee, which amounted to over \$50, will go to the athletic association.

Mrs. A. W. Maine and her sister, Miss Sarah Browne, of Chicago spent yesterday with their brother, Dr. J. P. Browne.

Mrs. Charles Redpath of Marengo is a guest of her sister, Miss Harriet Buck.

Miss Edna Cryder entertained in honor of her mother, Mrs. William Cryder's birthday yesterday. A fine dinner was served and the following were her guests: Mrs. Abbie Clark, Miss Harriet Buck, Miss Nettie Evans, Mrs. S. H. Brown, Mrs. Kate Brink of Joliet.

BOY IS RUN OVER; DRIVER MADE ILL

Little Herman Bohn of Oswego Recovering From Fall Under Wagon Wheels.

Shock of Accident Compels Joseph Albrecht to Go to Same Hospital for Care.

The accident which befell tiny Herman Bohn of Oswego late yesterday afternoon, brought him a suffering mile to the Aurora hospital. Within an hour it also brought to the same hospital Joseph Albrecht, driving the wagon in the accident and who as the result of the shock was obliged to undergo an immediate operation for appendicitis.

Albrecht was driving south of town upon one of the country roads. He passed two small children and not until one of the ladies beside the wagon calling out something to the effect that the other had been hurt, did he know that the child had fallen beneath the wheels of the heavy vehicle. Springing out he picked up the child and was compelled to carry him a long distance before securing aid. The child was brought to the Aurora hospital where it is said he is getting along well.

So shocked was the driver by the accident that he became very ill and was shortly after brought to the hospital where an immediate operation was advised. He is also getting on well.

WAR MAY SUSPEND COUNTY BOARD MEETING

The war with Germany may cause a postponement of the June meeting of the supervisors and also of the June term of the county court, it was reported today.

The officers of the county clerk and the sheriff will be exceptionally busy June 11, the time of the two meetings. It was said today with the draft registration. At the meeting of the supervisors is held June 11, the committees for the year will be announced by Chairman L. C. Cline and other business given attention.

All persons having claims against the county are asked to send their bills in early. Because the clerk of County Clerk Lawry's office will be busy with registration matters and if the bills are presented early they will be sure to get attention.

STUDY AUTO TRAFFIC

The best manner of handling the motor-vehicle traffic is becoming a perplexing problem because of the constant increase in the number of vehicles. The problem is being studied by city officials and some citizens.

The first move was made at noon today when all vehicles left standing in Broadway between Second and Main streets were moved about and parked at an angle of 45 degrees.

Altho the city ordinance requires that cars be parked, motorists have been ranking cars, that is, cars are in direct line with the curb.

Alderman Fred Rutke, chairman of the safety committee, was in charge of the work, aided by several policemen. This afternoon a committee of city officials and citizens met to discuss plans for the best ways of handling the traffic.

REGISTRARS TO MEET

The registrars for Aurora township, excepting Montgomery and North Aurora, will meet in the council chambers at the city hall this evening at 7 o'clock for final instructions. They will also be given the cards and other necessary equipment to be used at places of registration.

June 5, national registration day for the United States draft army. The registrars for Montgomery and North Aurora will get their instructions and cards from Sheriff Richardson.

News in Brief

Takes Orchestra Job in Michigan. George Moody, tap drummer of the Fox theater orchestra, left Aurora today for Pontiac, Mich., where he will take a position in the orchestra of the Oakland theater in that city. It is a vaudeville theater and has a seven-piece orchestra. Mrs. Moody remains in Aurora. Mr. Moody will probably return to Aurora the latter part of August when the vaudeville season re-opens at the Fox.

East School Board Meeting. The next regular meeting of the east school board will take place on June 7. Only routine business will be up for action.

More Wagons in Market.—Despite the threatening weather today there were 10 wagons at the city market in North River street. Potatoes were sold only by the peddlers. New ones brought \$1 a peck while old ones sold for 35 cents a peck. Prices of other vegetables remained the same as they have been for the past two weeks.

Furnas Quits Bank.—L. H. Furnas, second teller at the First National bank, has resigned his position to take effect today. He will leave for the west where he will go to work on a ranch. Mr. Furnas has been in poor health. He has been employed at the bank for eight years, the last three years as teller. Clarence Hendricks, draft clerk in the bank, will be promoted to the position of teller. Paul Castens, bookkeeper of the German-American bank, will go to work at the First National bank as bookkeeper.

Arrested for Assault.—A state warrant was issued this morning by Justice of the Peace W. C. Helms for the arrest of John Tutaj on the charge of assault and battery. The case was set for 3 o'clock this afternoon before Justice Helms. Henry Blanford, the plaintiff, of Talma street, says that yesterday he went to North Aurora to collect his wages at the Midwest Brass company. He says that he later got into an argument with Tutaj who hit him on the head with an instrument of some kind and that he was unconscious for two hours.

Timmins Expects Call.—Sergeant Michael Timmins, who has been military instructor at Riverbank Villa, Col. George Fabry's home at Geneva, has not left the United States, as he said today. He is on the retired list as a first sergeant and expects a call to service soon, he said. Sergeant Timmins was in the regular army from 1885 to 1912.

Offer Bonds to Employees.—The local office of the Wells Fargo Express company was notified today by G. A. Carr, general superintendent, that the company has adopted a plan under which employees may subscribe thru the company for liberty bonds. The employees will pay for the bonds in semi-monthly installments covering a period of one year. Serg. Hal Davenport of Company D, Cavalier in the local office, and Norman Strennig, the Aurora agent, will be the first to take a bond.

Stores Close Wednesday.—All Aurora stores, with the exception of drug stores and confectionery and cigar stores, will be closed all day next Wednesday, Memorial day. The stores will remain open Tuesday night until 9 o'clock. Grocers and butchers are requested that orders for supplies for the holidays be given in early Tuesday morning.

MAY DAY PROCESSION

The annual May day procession will be held at St. Mary's church tomorrow afternoon at 3:30 o'clock. Each year a procession is held and a wreath of flowers placed on the statue of the Blessed Virgin. The month of May in the Catholic church is set aside as month of adoration for Mary, the mother of Christ. In several of the other Catholic churches the procession will be held next Thursday evening.

Miss Margaret Kreitz, 18 years old, has been selected to place the wreath of roses and sweet peas on the statue at St. Mary's tomorrow. The procession, headed by altar boys and girls of the parochial school, dressed in white and wearing wreaths of similar will start from the school.

ITALIANS NEARER TRIEST IN BATTLE

Rome, May 26, via London, 5:54 p. m.—The Italians have captured 3,500 more prisoners on the Carso, the war office announces. Heavy fighting continues.

The Italians made important progress in the coastal region in the direction of Triest. They carried trenches from the mouth of the Timavo river, on the gulf of Triest, to a point east of Jamiano, and also the heights between Flondar and Medazza.

The statement says the number of prisoners taken on the Julian front from May 14, up to yesterday, is 22,419.

French Make Gains. Further progress was made by the French on the Champagne front during the night. Two German counter-attacks were repulsed, and 120 prisoners taken, according to the official statement this morning.

London, May 26, 12:30 p. m.—Increasing activity of the German artillery along the British front between the Scarpe and Croisilles, is reported in today's official statement on the operations in northern France. The British have effected a slight improvement in their position on the right bank of the Scarpe.

AUTOISTS COMPLAIN OF SCHOOL CHILDREN

Motorists have made complaint to the Aurora Automobile club that school children play in the streets in the vicinity of schools often making sudden dashes in front of automobiles.

William McCollough, president of the Automobile club, wrote to Superintendent S. M. Bardwell (east) and S. K. McDowell (west) regarding the complaints. Supt. Bardwell said that he would instruct his teachers to caution the pupils against playing in the streets.

One motorist reports that a boy threw a baseball at his car with the intention of striking the spokes. He said but for the fact that the ball missed the car, it might have been deflected into a crowd of pupils. The Automobile club, desiring to give protection to the school pupils, has drive slowly signs cautioning motorists placed in the vicinity of all schools. It is believed that most motorists heed the careful instruction on the signs.

FLOUR DROPS AGAIN

Flour prices took another drop of 20 cents a barrel wholesale today. Yesterday flour was quoted at \$15.40 per barrel and today at \$15.20. Grocers who have flour on hand bought at the higher prices are asking the same as before, \$15.25 per sack. Lower prices are looked for again Monday a local wholesaler said this afternoon.

Strawberries are up a little again today and are selling at 15 and 16 cents per quart box. Extra large pineapples, for canning are bringing \$1.60 per case and are looked for again Monday a local wholesaler said this afternoon.

Obituary

Mrs. Anna Rees. Mrs. Anna Rees succumbed to an acute attack of heart trouble at her home, 353 Hoyles avenue, at 100 yesterday afternoon. She was 21 years of age and the wife of George H. Rees, who formerly conducted a motorcycle garage in LaSalle street.

Besides her husband and her parents, Mr. and Mrs. Oscar Olson of Illinois and three sisters, all of Aurora, there were three brothers and three sisters, all of Aurora. They are Axel, Carl, Paul, Elmer, Alfreda, Martha, Alice.

The funeral will be held from the home, 353 Hoyles avenue, at 2:30 yesterday afternoon, the Rev. F. Lindke of the English Lutheran church officiating. Interment will be in Spring Lake cemetery.

Michael Downs. John T. Downs left last night for Lake, S. D., where he was called by the death of his aged father, Michael Downs. The funeral will be held from the Dakota home Sunday afternoon.

Little Girl Dies. Edna May, daughter of Mr. and Mrs. Russell F. Johnson of Joliet, formerly of Aurora, died at 5 o'clock this morning from spinal meningitis. There are three other children in the family, two sons and a daughter. The daughter, Verah June, is ill with scarlet fever, and the house is therefore in quarantine.

As a consequence the funeral of the little meningitis victim will be private and will be held this afternoon. The mother was formerly Miss Nellie Lindholm.

George C. Aldrich. J. W. Aldrich of Hoyles avenue was called yesterday to Fond du Lac, Wis., by the death of his brother, George C. Aldrich. The funeral and burial was at Fond du Lac today.

Lawrence Kotkas. Lawrence Kotkas, 38 years old, died at his late home, 168 North Broadway, this morning at 8 o'clock after a lingering illness. He has a family in the old country.

The funeral will be held from the Boyle & Artliff chapel Monday afternoon at 1 o'clock and at 1:30 o'clock from St. Michael's Romanian church. Interment will be in St. Michael's cemetery.

Made Reserve Officer.—Nicholas Sharpenier, 40 years old, a number of years ago one of the best semi-pro baseball players in this section, has been detailed to the officers' reserve camp at Ft. Sheridan from Company C at Ottawa. He was was for a number of years a member of the Aurora fire department and played first base on the old Aurora Athletics. He went to the Mexican border with the Ottawa company and now holds the rank of corporal.

Society

Illinois is not lagging in any part of the national defense work. The Illinois division of the women's committee of the National Council for Defense is not even waiting for the other states to organize but is going right ahead with registration. Two hundred and fifty thousand booklets are to be printed in a preliminary statement of the work and sent out to women's organizations all over the state.

The Women's Section to Navy League. A meeting of women, representing various sections of the city was held yesterday afternoon at the home of Mrs. Carroll Miller in Highland avenue for the purpose of organizing a women's section of the Navy League.

A number of members of the Aurora chapter of the Red Cross were present, and the work of the two organizations was carefully canvassed with the thought that there is work enough for both and that the work is not to be permitted to conflict.

The Navy League quarters in Broadway has been proffered to the women in order to take her quarters, and as quarters from which the work to be done will be distributed.

Mrs. Miller acted as temporary chairman, telling in an informal way of the result of her investigation of the work at Chicago headquarters and the work of the Illinois division.

Later the following officers were elected: President—Mrs. David B. Pierson. Vice presidents—Mrs. E. F. Schoenberg and Mrs. Robert Lake.

Secretary—Mrs. John K. Newhall. Treasurer—Mrs. B. A. Allen.

At the close of the meeting refreshments were served in the dining room, Mrs. W. S. Frazier and Mrs. R. N. Strohn pouring tea. Mrs. Miller was obliged to leave during the afternoon in order to take her quarters on to Baltimore to confer with the specialist, Doctor Baer, the child's physician, who is about to leave for the front. However, the work of this new organization will be outlined and begun at the earliest possible moment.

L. C. B. A. Meeting. The L. C. B. A. of St. Nicholas church held a meeting last evening with cards later Mrs. George Draught, Mrs. Fred Zieche and Mrs. J. J. Dicksen took the honors. Refreshments were served later.

Birthday Surprise Party. Twenty-five relatives and friends surprised Mrs. John Strong at her home in Lafayette street Thursday evening. The occasion was her birthday anniversary. The evening was spent with cards and music and a luncheon was served. Mrs. Strong was given a number of handsome gifts.

J. U. W. Club. Mrs. Edward Farrell of Clinton street entertained the members of the J. U. W. club at her home Friday afternoon. High honors at cards were won by Mrs. John Fenton and Fred Westover.

Vesta Circle Meeting. The officers of Vesta circle were entertained at the home of Mrs. Frank Deak in LaSalle street yesterday afternoon. A delicious luncheon was served and plans were made to sew for the Red Cross and to have a picnic at city park next month to which the public will be invited.

Entertainers Wednesday. Miss Laura Owens pleasantly entertained about 30 girl friends of Mrs. Edward Scott, formerly Miss Rose Miner, at her home west of Kaneville Wednesday afternoon. In the form of a miscellaneous shower. Many of the guests were former school-mates of the bride whose wedding took place May 15, the result of a schooling romance. There were guessing contests, while the bride received innumerable gifts each accompanied by its verse which she was asked to read. Later there was a luncheon served by the hostess, consisting of sandwiches, salad, pickles, olives, wafers, ice cream and cake.

Receive a Banner. The commercial class pupils of St. Nicholas school, who competed in the Gregg Writer typewriting contest

have received a banner. It is the highest award given in school contests by the Gregg writer.

Helping Hands. Mrs. George Pierson entertained the Helping Hands at her home in Fox street yesterday afternoon. There were cards, the scores made by Messdames H. Jones, C. Stuart and U. Guth. A delicious luncheon was served.

National Protective Legion. A get-together banquet was given by the National Protective Legion, held at the Manhattan cafe Thursday evening in honor of National President George A. Scott, of Waverly, N. Y.

The tables were exceedingly attractive, decorated with cut flowers and ferns, while the menu served left nothing to be desired. The menu card was in the form of a brochure in lavender, with the monogram in blue and green, and bore the half tone cuts of the national officers, as well as various toasts and the text of the national anthems.

H. O. Price of Freeport acted as toastmaster, and those who responded were Mrs. R. B. Reed, Mrs. T. P. Peaks and Messrs. R. C. Smith and George A. Scott.

The Day Nursery Card Party. A large number of the members and friends of the Aurora Catholic Women's league attended the card party given yesterday at the home of Mrs. Nellie E. Miller in Seminary avenue by the Day Nursery department of the league.

Bridge, five hundred and euchre were played, bridge apparently preferred. The bridge scores were made by Mrs. John Knell and Mrs. Marshall Miller. At five hundred Mrs. Herod Hull and Mrs. George Martin were most fortunate. The euchre scores were made by Mrs. Theodore Rodrich and Mrs. Peter Hartz.

Refreshments were served. The proceeds will be turned over to the Day Nursery.

Lawyers Organize TO INSTALL LIBRARY. At a meeting of the Aurora Bar association, held last night at the home of Attorney Lee Mighell, 255 North Lake street, it was voted to establish a central law library in Aurora. The meeting was attended by 20 Aurora lawyers and after the business session they were entertained by Attorney Mighell.

A committee consisting of Atty. John K. Newhall, chairman; John Sears, P. T. Smith, Justice L. Johnson and Olney Allen was appointed to form a library corporation. All of the lawyers in the city will buy stock, the money to be used for the purchase of the law books. It is estimated that the books will cost about \$100.

The city has offered the association the use of two rooms on the second floor of the city hall for the library.

AURORA HOME BUILDERS'

PERCENTAGE IN BUILDING WORK

Great Amount of Jobs Now Be-
ing Done on Certain
Profit Basis.

SATISFACTORY ALL AROUND

The extent to which the percentage system of handling building contracts is being used, especially on smaller jobs, such as residences, is indicated by the fact that one of the leading building concerns of a southern city reports that over 90 per cent of work is now being done on that basis.

An interesting discussion of the merits of the plan is contained in a letter sent out by the company to its customers, in which the following language appears:

"We all agree that what the average person wants when making a purchase is to get his money's worth. It is willing that the seller should have a legitimate profit over and above his cost of material and labor and expense of conducting business. We want you to get acquainted with our method of building.

Building Changes.
"Building, like other lines, has undergone changes in recent years. Formerly competition was so keen that many builders, in order to get work, simply neglected the matter of overhead, and undertook work that caused them losses, and then wondered why they made no better progress. We have gotten away from that and are following largely the cost-plus-percentage method to the satisfaction of a large number of our clients. The fact of the matter is that at present over 90 per cent of the large volume of work is being done on this plan.

"By this method we guarantee our figures and you have the advantage in the first place of knowing the maximum amount that you will have to invest, and then of enjoying the anticipation of a possible saving, as in nearly every case we have effected one, ranging all the way from 5 to 20 per cent."

The system, as indicated, involves taking the work on a basis of the cost-plus-percentage, which includes overhead, supervision and profit. The amount of the margin varies, but 15 per cent is about the average at which most jobs of this kind are handled. The maximum figure which is named on the job is usually the architect's estimate, and while one possible advantage of the percentage system, from the standpoint of the builder, is that he is protected in case of unusually expensive features unexpectedly developing, the company above referred to has found that the estimate is ordinarily sufficiently liberal to enable it to be used as a maximum basis on which to figure the work.

Builder Expects Fair Profit.
The defects of the system of competitive bidding are obvious. The man who knows least about the cost of doing the work is often the successful bidder—for this reason. The percentage system enables the owner to discriminate and to select the concern which has earned a reputation for good work and reliability, as he is then protected from excessive costs by the arrangement described. In other words, a premium is put on good work, rather than merely on the ability to bid low.

The average owner is willing that the contractor make a fair profit on his work; and it is also plain that if a contractor sees that he is likely to lose money on a job he will be tempted to "cut the corners" where-ever he can for the sake of making his net loss as low as possible. This does not always happen, of course; for many concerns would rather lose money on a piece of work than risk losing the good-will of the customer. Nevertheless the temptation to slight the quality, when it is found that a bid which is too low to cover the cost has been made, is present, and it doubtless has its effect in a good many cases.

On the other hand, the very fact that the wise contractor appreciates the risk involved in bidding, since it is never possible to anticipate every feature which may arise, means that a larger margin must be allowed to take care of the unknown quantities than would be necessary if every point were covered by the bid. The contractor who would be willing to make 15 per cent "for sure" on every job will probably allow 25 per cent in bidding in order to take care of

the unexpected difficulties that may arise, and also to take care of other jobs where the net had been considerably below the expected profit.

That means that in some cases the owner pays more than a fair price for the job. He is helping to average up the general run of work, and the excess payment offsets the too small amount charged on an unprofitable job. This is obviously an inequitable system, and furnishes a legitimate argument for the use of the percentage system.

Low Bid Not Always Safe.
One of the chief advantages to the contractor is that suggested above. He can get the benefit of accumulated good will and the prestige which goes with a record of big jobs well handled. While it is not necessary that the architect let the contract in every case to the low bidder, the inclination is always in that direction, and thus the inexperienced and the unskilled, who know neither how to figure the cost of a job nor how to handle it to the best advantage, are likely to get work to which those who have proved themselves in previous jobs are really entitled. This is one of the glaring weaknesses of the present system. The lowest and best bidder is the man to whom the contract, in theory, should be awarded; but in actual practice it is more

often the low man than the best man who gets the business. Contractors have learned this, and know that only when their bid is pretty close to the bottom will they be given serious consideration.

It must not be thought, however, that the percentage idea solves all problems and makes life's path easy for the contractor. There are difficulties and irritations involved here as well as under any other system, for no change in methods will change human nature. The contractor who is inclined to cheat the owner under a bidding system will probably attempt the same thing under a percentage plan.

In fact, cases have been cited in which the contractor padded his expense bills, charging the owner with the last price for material, without showing the discounts received. Time for labor was also increased, helpers being put in at full wages, and other features of that kind developing. Carelessness in buying and using material when the owner is footing the bill is also apparent in some jobs handled on a percentage plan, and when this occurs the system is given a bad name.

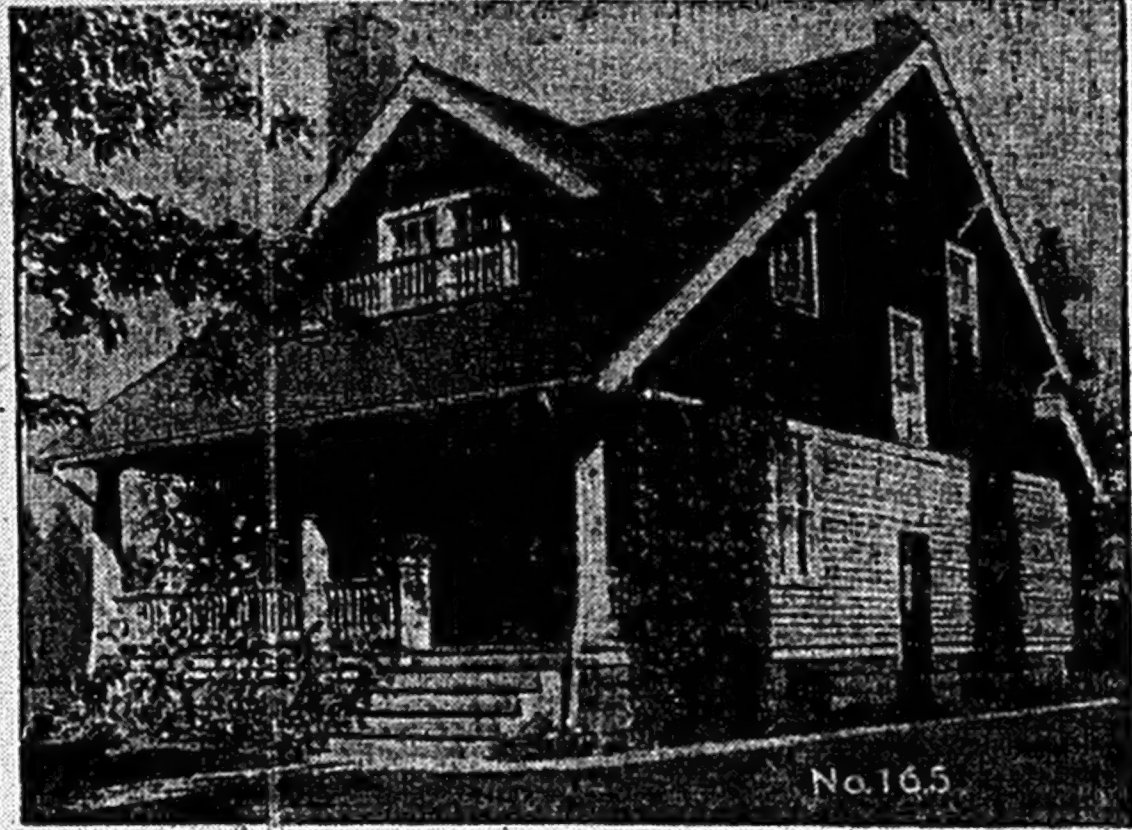

The man who appreciates his home during the housecleaning season is a mollycoddle.

Has Come to Stay.
The percentage system has been given undeserved unpopularity among certain owners and architects," said a well known builder recently. "Because of their experience in dealing with contractors who did not play fair. It might be said that under such a system the owner would be foolish to give his work to anybody except those whom he knows he can trust completely. But if one man is willing to work for a smaller margin than another, he is likely to be given the contract. The contractor of this kind may think that it is legitimate to make up for a narrow margin of profit by padding his bills and get his profit in some other way; but we believe in laying all our cards on the table and stating at the beginning just what the charge is going to be, above the cost of labor and material."

Taking it all in all, and in view of the experience of leading concerns like the one cited in this article, it seems that the percentage system is making good and has come to stay.

The man who appreciates his home during the housecleaning season is a mollycoddle.

"HOMES OF CHARACTER"

This plan combines the bungalow style appearance with comforts usually secured only in a larger size house, as it retains all the important features of a well appointed home.

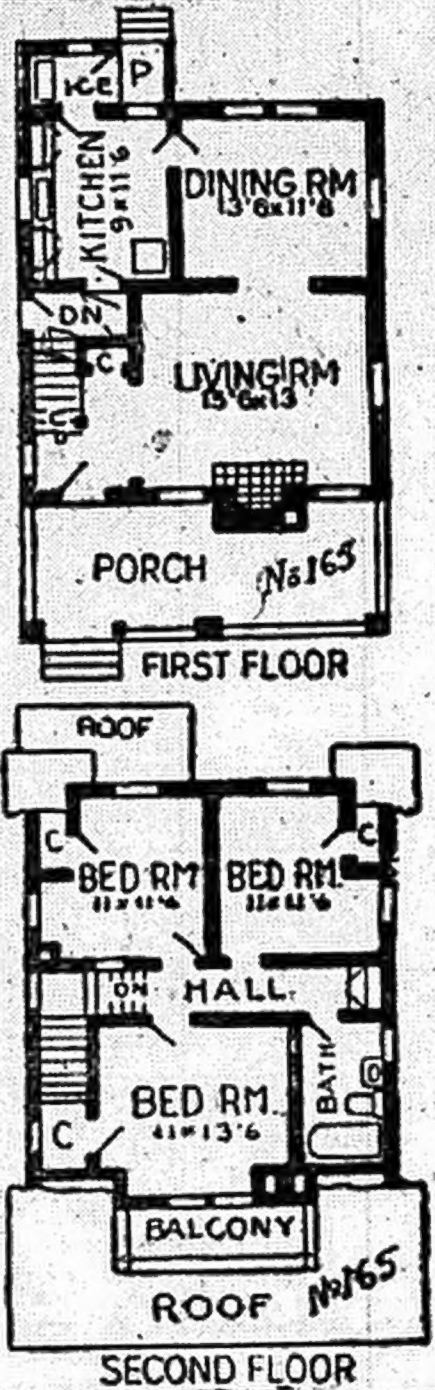

You will notice that the reception hall, living room and dining room open nicely into each other. Still there is plenty of wall space for furniture, and a large open fireplace in front of the living room as an especially attractive feature. The kitchen is also of ample size, is fully equipped, well lighted and ventilated, having a separate cold room provided for refrigerator.

There is a grade entry to basement, and also a closet for coats in the entry hall.

The second floor of this design has three good bedrooms and bath. We have placed at the end of the hall a linen closet, and you will also notice from this illustration that there is a very attractive balcony off the main bedroom, extending over the front porch.

No. 165 has been built with hardwood floors, hardwood trim on the first floor, Georgia pine trim in the bedrooms, complete hot air heating plant, complete plumbing fixture, for \$2,300. Under more favorable conditions it can be built for \$2,000, and in no case should the cost exceed \$2,500.

As in almost all our designs, the basement extends under the main body of the house. In this instance it is 24x26 feet in size.

TO PUT UP BIGGEST STORAGE BUILDING

New York to Have Cold Storage
Plant, 11 Stories High, Cov-
ering Entire Block.

Plans have been prepared and contracts awarded for what will be the largest cold storage warehouse ever constructed in New York if not in the country, the capacity being placed at \$700,000 cubic feet, and involving an estimated outlay, of more than \$2,000,000. The building will cover an area of approximately 200,000 feet, will be 11 stories in height and will have about 700,000 square feet of floor space.

Some idea of the magnitude of the structure may be gained from the fact that approximately 30,000 yards of gravel, 20,000 yards of sand, 60,000 yards of cement, 3,000,000 bricks, 1,000,000 feet of lumber, and 1,500 tons of reinforcing steel will be required. The building will be of fireproof construction designed according to the requirements of the New York Fire Insurance exchange and will be equipped with sprinklers, all of which will make possible a very low insurance rate both on the building and on the merchandise stored.

The huge warehouse will cover the entire block, bounded by Sixteenth and Seventeenth streets, Tenth avenue and Marginal street, New York city, and will be erected by the Turner Construction company, in accordance with plans prepared by J. B. Snook & Sons.

APPRECIATED BY AUTOISTS

One of the most recent conveniences which builders are installing in order to make a home complete is a narrow concrete walk at the curb line. This enables an automobile to drive up and stop anywhere in front of the lot without attempting to make close connections with the walk leading to the house. In this way passengers may alight without getting into the dampness or mud of the parkway.

ON TIMBER PRICES

Figures issued by the Canadian department of forestry show some interesting increases in the prices of spruce and hemlock during the past 20 years. According to the returns given, spruce deals in 1895 sold at 12 cents per thousand, ten years later they sold at \$14.50. At the end of 1915 they sold at \$15.50 per thousand feet. Hemlock, which sold in 1895 for \$12.25, now costs \$18.50. Contrary to the case with spruce, there was no fluctuating in this market in 1914, and the present value has not changed during three years from 1914 to 1915.

TO MAKE GOOD PUTTY

To make the putty stick the work should always have a priming coat which must be dry before putting, or at least a coat of linseed oil, preferably boiled. Good common putty is made of chalk (whiting) and linseed oil. This can be strengthened by adding a small amount of white lead. Wagon makers use a putty composed of red lead and linseed oil, which in time becomes about as hard as granite.

HITS ARCHITECT LAW

"J. H. of Chicago," says: "Carpenters and builders in this section of the world have nothing more to do with the drawing of plans for houses since the law licensing architects went into effect. My personal experience as a builder is that this law creates a lot more trouble for the building contractor altho the architects furnish fine drawings, but that is all they are. In most cases we cannot follow the plans owing to the fact that inside and outside measurements always differ from 1 to 3 feet; therefore, we have to make them over on another sheet of paper in order to work from them. For this trouble we get no pay. The law, both state and municipal, forbids contractors to make plans even for their own houses, and to voice my own opinion most architects don't know how to build; that is, those who design flat buildings and dwelling houses. Steel structures I admit require men specially educated for this work, but for the ordinary flat buildings, stores and

dwelling houses, no architect can beat the oldtime carpenter, and that is the reason I regard the present law as obnoxious, as it hinders the builder in his freedom."

LUMBERMAN'S SHORT COURSE AT COLLEGE

A one-year course in forestry has been inaugurated at the Georgia state college of agriculture to supply the demand for a short, practical training in lumbering, with special emphasis on the engineering aspect of the subject. This course does not prepare a man for professional forestry or engineering, rather it fits him for a position as woods foreman, yard boss, scaler, cruiser or surveyor. Under civil service rules he may compete for the position of forest ranger, a position carrying with it a salary of \$300 to \$1,200 a year.

He is not the best fighter but the best runner who wins the political battle.

Speaker, Wambganss and Chapman Are Leading Batsmen of American League.

BURNS LEADS THE NATIONAL

(By Associated Press Leased Wire.) Chicago, May 26.—Cleveland batmen are leading the race for 300 hits in the American league. Unofficial averages released today show three of the team—Speaker, Wambganss and Chapman—up in the race. Speaker leading the league with an average of .328. The figures include games of last Wednesday.

Chapman also is showing the way to base stealers and sacrifice hitters. He has stolen 12 bases, as against seven for Cobb and has made 13 sacrifices. Wambganss, Chicago, leads in runs scored with 25. Bode, Philadelphia, and Pipp, New York, are fighting it out for home run honors, with each, St. Louis leads in club batting with .250.

Leading pitchers who have played in 15 or more games:

Speaker, Cleveland, .328; Wambganss, Cleveland, .324; Hendry, New York, .322; Miller, St. Louis, .320; Walker, Boston, .318; Slater, St. Louis, .317; Cobb, Detroit, .315; Chapman, Cleveland, .314; McIntire, Philadelphia, .308.

Leading pitchers who have served in eight games rated, according to earned runs per game, are:

G. W. L. E. R. Cleveland, 11 1 0.100; Cincinnati, 10 1 0.100; E. A. Russell, Chicago, 10 3 1.333; Bush, Philadelphia, 9 3 1.333; Danforth, Chicago, 10 1 1.100; 4 Scott, Chicago, 9 4 1.333; Leonard, Boston, 8 4 1.333; Holloman, St. Louis, 12 4 1.333; G. Jones, Detroit, 8 1 2.125; C. Gable, Cleveland, 9 2 2.222.

Ruth, Boston, has won eight of the nine games in which he has pitched but has been found for 2.54 earned runs per game.

Burns Leads National. In the National league Burns of New York, with an average of .341, has displaced Jack Smith, St. Louis, as the leading hitter among the regulars. Burns, in a point ahead of Burns, but he has participated in only 15 games as against 27 for the New York.

Burns also leads in runs scored with 21, and is tied with David, Pittsburgh, for stolen base honors, each having seven. Whitted, Philadelphia, and Doyle, Chicago, are tied in sacrifice hits with 12 each. Cravath, Philadelphia, is in possession of home run honors with five.

SAYS BENNY KAUFF
SEEKS A RELEASE

New York, May 26.—There's trouble brewing among the Giants. It is rumored around the Cubs' camp that Benny Kauff, a member of the Federal league team, had asked Manager Mitchell of the Giants to get him away from John McGraw's club. He is dissatisfied with his present job, he wants to get away.

All of which may explain why the Giants, even money bet to win the pennant before the National league season started, are now in third place and not flag sure things from the gambling standpoint. McGraw's men slipped back into the third hole yesterday after the Cubs walked them for the second time. The score was 6 to 1.

Al Demaree, whom McGraw cut loose after the local try out a year ago, was on the firing line for the Cubs and he held his old mantle to seven hits, this being the eleventh time he has trimmed the Manhattan crew since he came to New York. McGraw's men slipped back into the third hole yesterday after the Cubs walked them for the second time. The score was 6 to 1.

Score by innings: 0 0 0 0 2 1 0—1. Two-base hits—Hohe, Merkle. Three-base hit—Kauff. Strike-outs—By Demaree, 4; by Peritt, 4. Bases on balls—Hohe, 4; Kauff, 2. Errors—Hohe, 1. Double play—Merkle to Demaree to Deal. Left on bases—Cubs, 9; Giants, 3. Wild pitches—Peritt, Smith. Umpires—Byron and Quigley. Time—2:02.

ALL STARS WILL PLAY RIVALS

The Aurora All Stars will play the Rivale at the Huron Island grounds tomorrow afternoon at 2:30 o'clock. It will be the second of a series of games between the two clubs. The Rivale won the first tilt.

A MODERN VENUS.

It was such a scene as has been the undoing of humans and gods alike. Even High Olympus lost many a rare deity to the earth-child of such a picture.

I came upon her unawares. A dainty, uncovered foot touched the water and then withdrew gracefully. Another dainty foot and another withdrawing. Her rounded arms gleamed in the sunlight and her head tilted back with the wanton abandon of some ray, alluring wood nymph. Her beautiful body swayed and her rosy finger tips toyed with the ripples in front of her. Then she raised her golden head and stood in gleaming statue of glorious marble. Suddenly she turned about and beheld me. A smile half lighted her oval face. Her arms seemed to outstretch to mine. I felt the beckoning—Inevitable and irresistible—as of some loveless mermaid, singing her love to the earth winds which fanned her delicate reef. The careless abandon of her hair—the sparkle of her wistful eyes—the slight dimpling at her knees—the innocence that comes only to the child of nature—all fascinated me; held me motionless.

GUNTHERS PLAY
HERE TOMORROW

Aurora Will Have Two New Men In Lineup, a New Catcher and Third Baseman.

LOCAL BOY WILL TWIRL

The Gunthers will bring one of the strongest lineups they have had in the same time to Aurora tomorrow for the battle with the Aurora semi-pro at Fox River park. Manager Hutton, in a statement given out in Chicago last night, said he believed the Aurora club was as strong as any of the traveling teams in the Chicago league.

Gus Stremmel, once with the St. Louis Browns, will do the twirling for the Gunthers. It will be his first appearance here in several years. The last time he worked at the Fox River grounds he was in the lineup of the Normals. He let Aurora down with one hit and no runs.

Phillies Register. Philadelphia, May 26.—Eleven members of the Philadelphia baseball team, which now is leading the National league, went to the city hall yesterday and registered for the selective draft. The team will be in Chicago June 5, registration day. Those who registered, all of whom live outside of Philadelphia, are: Alexander, Mayer, Burns, Bancroft, Fittery, Kliffner, Duxey, Cooper, McGaffigan, Adams and Whitted.

TIGERS AT OSWEGO

The Aurora Tigers will journey to Oswego tomorrow afternoon where they will play the first of a series of games with the Kendall county club. A number of starters will accompany the local team to the down river town.

KIECKHEFER SETS A
NEW BILLIARD RECORD

Chicago, May 26.—Clicking off the points as if he were playing straight-rail billiards, Augie Kieckhefer of Milwaukee last night won his first successive game in the all-star three-cushion tourney at Mussey's Monroe street room, beating the veteran, Joe Capron, 50 to 22, in 42 innings. Augie had high runs of 7, 5, 1 and 4, while Capron's best was a 4.

WILL SHIP THE BODY OF
DARCY TO AUSTRALIA

Memphis, Tenn., May 26.—Les Darcy, Australian middleweight champion, who died in a hospital here Thursday, will be buried in Australia. Fred Gilmore of Chicago, who manages his business affairs of Darcy, today received a telegram from Darcy's mother requesting that the body be sent home for burial.

PIRATES AT WHEATON

The Aurora Pirates and the Wheaton A. E. & C. nine will battle at Wheaton tomorrow afternoon. It will be the hardest game this season for the Pirates. Wheaton has the strongest lineup it has had in years. Caceran will be on the mound while Flynn will be behind the bat for the Aurora team. The game will start at 3 o'clock. The players and manager will arrive at the Wheaton club at 1:15 o'clock. The team will put on their uniforms here.

WHITE SOX DEFEAT
SENATORS AGAIN

Chicago, May 26.—Clark Griffith's Senators staged another donation party yesterday at Comiskey park, the White Sox taking the third of the series, 5 to 1. Among the heavy contributors to the scoring were Harry Harper, and Mollie Craft. Pitcher Harper's donation consisted of five hits, a wild throw and two bases on balls. Craft slipped the Sox a wild pitch, which was turned into a run and eventual victory by a twisted ankle, as Mollie was carried off the field after he had tried to nail Ribberg at the plate on the second throw following the grand leave-off of omission, the four being equally distributed among the inner guardians of the diamond. Judges lost the ball in the sun, Foster and Leonard fumbled grounders and Crane made a wild throw. Each figured in a run, which, with the wild pitch, accounted for the five.

Score by innings: Washington, 0 0 0 0 1 0 0 0—1. Sox, 5 1 0 0 0 1 0 0—1. Two-base hits—J. Collins, Weaver. Strike out—By Harper, 6; by Benz, 4; by Ayers, 3. Bases on balls—Off Harper, 3; off Benz, 1. Double play—Ribberg to Gandell. Left on bases—Washington, 4; Sox, 5. Wild pitch—Craft. Umpires—Walton, Connelly and McCormick. Time—2:08.

"WILLIE" SUDHOFF DIES

St. Louis, May 24.—William Sudhoff, pitcher for the St. Louis Browns in the '20's and generally known to baseball followers as "Wee Willie Sudhoff," died last night at the city sanitarium, where he had been since 1912. Sudhoff, who was of diminutive size, was for several years regarded as one of the most effective pitchers in the big league.

Sudhoff is survived by a widow and a son, Emmett Wallace, named after Emmett Heidrick, a former outfielder for the Browns, and "Bobby" Wallace, lately shortstop of the Browns.

BOB SIMPSON RUNS LAST
RACE FOR MISSOURI

Ames, Iowa, May 26.—With but more than seven miles in any event, of the Missouri valley conference track and field meet here today, all preliminaries, excepting in the 440-yard dash were called off by previous agreement of the coaches. A feature of the classic was the last appearance of Robert Simpson, world's champion low hurdler, under University of Missouri colors. An interesting race was expected to develop in the 220-yard low hurdles between Simpson and Hoyt of Grinnell who has been making a sensational record on the track this season.

MAROONS MEET ILLINI

Chicago, May 26.—Many close contests are expected at the annual dual track and field meet of the universities of Chicago and Illinois here today and tomorrow. The student bodies expressed the belief that the winner would have large chances for major honors at the western conference meet in June.

YOUNG TIGERS PLAY

The Young Tigers will play their second game with the Newbora tomorrow afternoon at the corner of North and East streets. The first game was won by the Tigers. J. Baum will twirl for the latter team.

MEMORIAL SUNDAY IN THE CHURCHES

A Number of Local Pastors and
Congregations Plan Appre-
ciation Programs Tomorrow.

Grand Army and Auxiliary Organiza-
tions to Attend First Baptist
Church in Body.

Memorial Sunday, with special
services preceding the annual
Decoration day exercises of the com-
ing Wednesday, will be observed in
a number of the Aurora churches to-
morrow morning and evening.

The veterans of Grand Army Post
No. 29, and auxiliary organizations,
the Ladies of the G. A. R., the Wo-
man's Relief corps and others, will
attend in a body the morning serv-
ices at the First Baptist church on the
location of the pastor, Dr. R. H.
Claxton. His morning address will be
on the subject, "Good Soldierhood."
At 7:30 p. m. at this church the Au-
rora Glee club will render a musical
program and the pastor will deliver
a short sermon on "Remembering
Jesus Christ." R. T. U. services at
8:30 p. m. in the First Baptist church
in series of "The Kingdom of God."

The New England Congrega-
tion at church there will be a memorial
service at 11 a. m. by the pastor.
In the evening the pastor will speak
on the second of a series of sermons
on "Some War-time Virtues." The
Krieg glee club will furnish music
in the evening.

Neighbors Templar to Church.

A special patriotic service will be
held Sunday morning at the First
Presbyterian church, with special
musical numbers and a sermon by the
pastor, Dr. E. H. Montgomery. Au-
rora Commandery Knights Templar
will attend the service in a body.
Sunday school at noon with a "recog-
nition" service for all who have
been in the service of the country.
In the evening the pastor will speak
on "Great Men and the Christian
Church."

There will be a patriotic program
Sunday evening at the Marion Ave-
nue Baptist church, arranged and
led by a committee of the young
women of the church. It is to be
a "Girls' Day," at the church with ap-
propriate service and songs by the
young women also in the morning when the
pastor's sermon theme will be "The
Religious Needs of a Girl." The Boy
Scouts will appear in uniform at the
evening service. The orchestra and
choir will render special numbers
and the pastor's sermon theme will
be "A Church for Christianity."

At the Advent Christian church all
employees of the Aurora postoffice
have accepted the invitation of the
pastor, the Rev. David H. Woodward,
to attend a special memorial service
at 11 a. m. The sermon theme will
be "The Sovereignty of God Among
Nations." There will be special mu-
sic.

The Rev. Charles J. Brady will
preach at the First M. E. church Sun-
day morning on "Christ's Temptation,
the Kingdom of the World." At 1 p. m. the choir, under
direction of David J. Reese, will ren-
der the first of a series of free Sun-
day afternoon concerts. Some of the
best talent in the city will assist.
The public is cordially invited.

The Rev. J. H. Babin at the Unit-
ed Presbyterian church will speak
Sunday morning on "The Spirit of
Patriotism." His evening theme will
be "The Fruitful Life."

At the Claret Street Baptist church
the pastor's morning theme will be
"Such a Time as This." In the eve-
ning the theme will be "The Harbinger
of Scripture."

At Zion Evangelical church the
pastor will speak Sunday morning in
German on "Pentecostal Expectations,"
and in the evening in English on
"Pentecostal Blessings Realized."

The topic for study at the "First
Church of Christ Scientist, Sunday
10:45 a. m., will be "Soul and Body."
Services at Grand Army hall.

Confirmation Services.

A class of 14 boys and girls will
be confirmed Sunday morning at the
English Lutheran church, the pastor,
Student Fred Lindke, being assisted by
the Rev. Luther Hagedorn, west-
ern superintendent of the conference.

After morning service at 8:30 p. m.,
led by Mr. Lindke, Women's Mis-
sionary society program at 7:30 p. m.
at the Swedish M. E. church will
feature a class of nine young people
Sunday morning.

At the Galena Boulevard M. E.
church the Rev. David D. Vaughan
will continue his special Sunday ser-
ies of May day sermons, his morning
theme being "The Day of the Masses,"
and in the evening, "Our Country's
Day," being a memorial service.

The Rev. Olaus Quallen will deliver
a sermon in Norwegian Sunday morn-
ing at 10 a. m. at the Norwegian
Danish Lutheran church, Sun-
day school at noon. No evening ser-
vice.

The Rev. G. F. Courrier of the
Fourth Street Methodist Episcopal
church will speak both morning and
evening on the subject, "The New
Patriotism." Miss Hazel Jones will
sing in the evening.

CHARGE MOTHER KEEPS BOY OUT OF SCHOOL

Mrs. Mary Perry, 40 years old, residing
at the corner of Claret and Kendall streets,
was arraigned before Justice Cortez Dur-
den this morning on complaint of Charles
Lynn, 12 years old, son of Mrs. Perry, who
was charged with keeping her 12-year-old son, Joe,
out of school. The boy has been attend-
ing St. Nicholas parochial school. Mrs.
Perry, who is a widow, has been several
weeks sick, and she was too poor to buy
books. The school at the school house
agreed to furnish the books and the boy
was returned to his studies Monday. The
charge against the mother was dropped.

NO LIQUOR TO SOLDIERS

Aurora saloonkeepers today notified
that they are not to serve intoxicating
liquor to any kind of soldiers in uniform.
Under the new army bill liquor dealers
are prohibited from selling to uniformed
soldiers. The order covers militiamen as
well as regular army men and particularly
those of the guards who have taken the federal
oath. Aurora saloonkeepers only wear their
uniforms on drill nights.

ROOKIES TO MARCH ON DECORATION DAY

Full Force of Four Local Com-
panies to Appear in Mem-
orial Parade.

Machine Gun Corps With Full Equip-
ment to Be Feature of
March.

American bluejackets are about
the world over for their versatility
and pluck. Not only are they the
greatest marine gunners on earth, but
they are almost unbeatable when it
comes to effecting a landing on some
strategic point and giving an enemy
a baptism of fire from light artillery
and small arms.

The lads in the picture are now in
training at Newport, R. I., together
with some 5,000 other patriots. They

are shown in the act of wheeling their
"Laughing Lizzie" into action and un-
limbering their rifles, preparatory to
a charge. This is only a small part
of the busy training course these lads
undergo.

Members of the four local com-
panies of the Third regiment, Illinois
National Guard will take part in the
Memorial day parade Wednesday.
It was announced today by Col. Charles
Greene, commanding officer. It will
be the first public appearance of the
thousand since they returned from the
Mexican border.

As the new uniforms will not be here
in time it will be impossible for all
the men to appear in uniform. How-
ever, it is probable that the recruits
will parade in civilian attire. Col-
onel Greene believes that it will be
even better to have the recruits ap-
pear in civilian dress without uniform
as it will show the public the men
who have come forward in response
to the call for volunteers.

Machine Gunners to March.

The entire machine gun company,
headed by Lieut. Hal Carr, will be
in the parade. The company has five
motor trucks and four machine guns.
It is probable that a drill will be
given by the company during the day.
Members of the Aurora Driving club,
who have enlisted in the machine gun
company, may appear with other
members of the drill team in their
Zouave uniforms.

A large and enthusiastic crowd ex-
pected the drill of the machine gun
company at the armory Tuesday
night. Lieut. Carr's recruits are learn-
ing fast and made a good showing.
The gallery in the drill hall has
been set aside for visitors.

Colonel Greene has issued a special
invitation to the public to see the
company on drill nights. Company I,
under Capt. John Newman, drilled
last evening at 7:30 o'clock.

BAUREISEN WILL
CONTEST SETTLED

Grandson and Daughter Come to
Terms and Suit Over \$25,000
Estate Is Dropped.

A suit brought in the Kane county
circuit court by Ralph Baureisen to
set aside the will of his grandfather,
the late John Baureisen, has been set-
tled out of court. Attorneys Caffery
& Wing represented the plaintiff and
Murphy & Lyon were counsel for Mrs.
M. Elder, the defendant who was the
principal beneficiary under the terms
of the will.

John Baureisen, who was well
known here, upon his death on April
27, 1914, left an estate of \$25,000.
By the terms of the will, three-fourths
of the estate was to go to Mrs. Elder,
an only daughter, and one-fourth to
Ralph, grandson of the testator and
the only child of John A. Baureisen,
who was the only son of the maker
of the will.

The will was contested on the
grounds that Mrs. Elder used undue
influence on the testator during his
last and fatal illness.

TWO SMALLPOX CASES

With the discovery of two cases of
smallpox in Aurora last night, Dr. George
H. Schuchman, city health commissioner,
today advised that all persons who have
not been vaccinated in late years go
now in order to prevent an epidemic. Mrs.
Benjamin Ecken, 35 years old, 815 South
Broadway, and William Street, 25 years
old, 33 North Anderson street, are the
patients. The latter, employed as fire-
man by the Burlington railroad, is alar-
med in a shed, in the rear of the city
hall. Mrs. Ecken is isolated at her home.
All who have come in contact with the
two have been vaccinated.

SOCIALISTS PROTEST

(By Associated Press Local Wire.)
Stockholm, via London, May 25.—Social-
ists here and of the socialist international
conference expressed surprise at the news
that Secretary of State Lansing had re-
fused passports to American delegates.
They have decided not to attend the con-
ference until more definite news is received.
James Zada, now, the so-called "mil-
lionsaire tramp" of America has sent a
message of protest to the state department
in which he was joined by Henry Karl
Kundigsen and Karl Price, international
secretary of the World Council of Peace,
Hague and international president of the
Young Men's Christian association.

The man who is satisfied with
himself is at the end of his rope.

News in Brief

Curry Out of Town

Curry Out of Town.—James W. Cur-
ry, proprietor of the Hotel hotel,
left the city yesterday afternoon
when Constable W. F. Orr was
hunting him to serve a warrant
charging him with selling liquor to a
blacklisted man. The constable was
told at the hotel that Curry would not
be back for a week. Mrs. Lillian
Cone, 238 South Lake street, is the
complainant. She says her husband,
William Cone, 45 years old, a fea-
turer, bought liquor at Curry's saloon.
A similar complaint has been made
against another River street saloon
by Mrs. Cone but the warrant has not
been issued.

Your Attention Is Called.—To the
Sonia wedding photographs that God-
frey is making at \$10 per dozen. Cor-
ner of Fox and Broadway.

Commercial Club to Elect.—Presi-
dent, John N. Schmitt of the Aurora
Commercial club will call a meeting
of the club within the next few days
for the annual election of officers.
The meeting was to have been held
last week but the various committees
were so busy with other matters that
it was impossible to get the members
together.

Dance Tonight.—Zouave hall, 55.00
in gold free.

Circus Coming.—Aurora will have
at least one circus this year. The ad-
vanced car for the Sells-Floto circus,
which will be here June 14, arrived in
the city yesterday. The circus will
show at the Aurora Driving park.
The advance agent of the Robinson
shows was also in the city today.

Bar Bridge Fighting.—Aurora an-
gels who have been in the habit of go-
ing to St. Charles to fish off the
bridge have been notified by the city
marshal there that fishing from the
bridge will no longer be allowed. A
similar order is to be issued here. Local
police say there is danger of peo-
ple being caught with the hooks
while the lines are being cast.

Decorations Day Dance.—Zouave
hall, Wednesday, May 30. Your
friends are all going.

Running Away to Enlist.—John
Chula, 18 years old, and George Holan,
17 years old, both of East Chicago,
wanted to enlist in the army but their
parents would not consent. So they
decided to leave home and go to Jef-
ferson barracks, Mo., to enlist. They
climbed into an empty coal car in the
Burlington railroad yards in Chicago
as a west bound freight train was
pulling out and they were found by
Special Agent Hertz late yesterday afternoon
hiding in the car. The railroad detective
turned the runaways over to Patrol-
man Beales. The parents sent word
to Chief of Police McCarthy that they
would arrive in Aurora today after
the boys.

Find Stolen Auto.—A Ford automob-
ile, owned by Elliott Patterson, a
farmer residing near Naperville, was
stolen from the corner of Fox and
LaSalle streets last night about
10 o'clock. It was recovered at Batavia
this morning by City Marshal Mon-
ahan. The machine was abandoned in
the up-river city when it ran out of
gas. The car was turned over to the
owner today. No arrests have been
made.

Flight Over Hellison.—Robert Man-
kelt, 35 years old, and James Mc-
Guire, 26 years old, got into an argu-
ment over religion at the corner of
Main and LaSalle streets last night at
10:45 o'clock. McGuire knocked Man-
kelt down. Patrolman Clarence An-
derson arrested both of the men. In
police court this morning Magistrate
Harlow fined Mankelt \$5 and costs. He
fined McGuire the same amount but
remitted the fine.

Released on Bond.—Albert Barbay-
lla, 23 years old, arrested yesterday
on a charge of carting away empty
beer bottles and cases belonging to
local wholesale liquor dealers, has
been released under \$500 bonds. The
case was before Police Magistrate
Justice Cortez Dutton. Barbaylla
says he has been wrongfully accused.

Boy Broken Arm.—George Marshall, 7
years old, son of Harry Marshall, 411
Madison street, fell from a flight of stairs
at the home of his parents this morning
and fractured his left arm. The fracture
was reduced by Dr. W. L. Murphy.

Volunteers as Interpreter.—Joseph Sil-
vanger, 228 Claret street, has volunteered
to work as an interpreter in one of the
colleges in the German word. June 1,
registration day. He has been accept-
ed. As a large number of young foreign-
ers who cannot speak English will re-
spond to the call, it is a number of the
penninsula. More volunteers are wanted. Applications
can be filed with the city clerk at his
office in the city hall.

NEW COUNTRY CLUB FINANCING PLAN

Special Assessment
Member in Addition to Regu-
lar Dues Ordered for 1917.

This Will Assure Ample Funds to
Meet \$10,000 Outstanding Debts
of Organization.

In order to raise a fund of prac-
tically \$10,000 to cover all outstanding
indebtedness of the Aurora Country
club, members of that organization
at a meeting held in the club house
Wednesday evening voted to place an
assessment of \$10 each on every mem-
ber of the club. This assessment is
in addition to the regular dues which
are \$10 a year, but the assessment
will be for this year only.

In erecting the new club house, im-
proving the grounds and making oth-
er necessary expenditures consequent
to building the house at the Aurora
Country club, the sum of money ex-
pended was considerably in excess of
the appropriation originally figured
on and provided for. As a conse-
quence the club has had to borrow
money to pay contractors' bills and
money became absolutely necessary
to make good this fund.

The fund this year was ap-
pointed to get voluntary subscriptions
from the members and 27 members
of the club pledged either in cash or in
second mortgage bonds which they
held a total of \$5,600 towards this
fund. However, these pledges were
made with the understanding that
other members of the club should
contribute enough to make the total
more than \$10,000. The commit-
tee soliciting met with poor suc-
cess other than with those who made
pledges and the "volunteer system"
having proven insufficient to meet
the emergency "conscription" had to
be resorted to and at the meeting of
the club it was voted to make a flat
assessment of \$10 on each member
of the club and allow those who
agreed to contribute to either with-
draw their contributions or let them
stand, as they might desire. About
one hundred members were repre-
sented at the meeting.

The fund to be raised will
place the Aurora Country club on a
sound financial footing, the experi-
ences of the past two years having
demonstrated that the revenue from
dues are sufficient to pay all ordi-
nary operating expenses of the club
and also care for the interest and
paying of \$1,000 each year of the
bonded debt.

The Aurora Country club has
grounds and a club house that are
the equal, if not the superior, of
most clubs in cities of this size.
Nineteen thousand dollars has been
invested in the building and equip-
ment of the new club house and a lit-
tle more than \$5,000 was used in re-
modeling the old stone house which
originally stood on the property.
Practically \$10,000 has been expen-
ded in building of greens, roadways
and improving the grounds. The
land it owns, originally more or less
swamps, has been tilled and the acid-
ity of the soil corrected by use of sev-
eral car loads of crushed limestone.
The land owned by the Country club
is estimated to be worth at least \$10,
000, while the expenditure in build-
ings, etc., will double the value. The
bonded indebtedness of the club is
about 10 per cent of its actual valua-
tion.

TO BUILD SANITARIUM

The plans for the Miller Diabetic San-
itarium, to be located on eight acres of
land at Morrisville, two miles north of
Aurora, provide for 75 rooms.

The plans drawn by Worst & Shep-
ardson have been taken to Prepress by Ralph
Shepardson, Charles August and Christ
Armstrong. The sanitarium is now lo-
cated at Prepress.

It is announced that work on the build-
ing will be started within a month or six
weeks.

TRAMPS IN CAMP

Residents residing in the southwest
section of the city have asked the police
to drive tramps out of a camp which
they have established along the Burling-
ton railroad tracks below the store works.
The "sons of red" have been bothering
women by begging at back doors, the po-
lice have been told.

MEDICINES, LIKE MEN, HAVE CHARACTER

From their fine outward appear-
ance, through the various elements of
strength that go to make up the
standing of a remedy, including the
final and absolute test—does it "make
good"—does it cure—Hood's Sarsa-
parilla and Pepsitron Pills consis-
tently prove every day that they are me-
dicines of the highest character.

Hood's Sarsaparilla originated in a
physician's successful prescription.
Pepsitron Pills, named from pepsin
and iron, include nux and other
tonics.

For scrofula, eczema, humors, boils,
pimples, and other eruptions—for loss
of appetite, indigestion and dyspepsia—
for kidney and liver troubles—for
loss of appetite, that tired feeling
for brain-far, nerve exhaustion,
anemia and poor, thin blood—Hood's
Sarsaparilla and Pepsitron Pills make
the ideal source of medicine, the
former before meals, the latter after.

Some people sing as they take them

CORRECTIONS IN BURNS' AD!

The grocery ad of Robert Burns, 81 Jackson St., that appeared in
last night's Beacon-News, showed up poorly in the first few editions off
the press and as a result proved misleading as regards the prices which
were quoted. Below the ad as it should have read, is reproduced in full:

"Where You Buy the Best and Pay the Least"

The System Maintains Qual- ity But LOWERS the Price!

Saving is largely a matter of intelligent spending. Quality should never be
neglected for the sake of low price and such practice is the most dangerous
kind of false economy. Be sure of the standard of the goods you buy and
then pay the least possible for them. The Burns' system facilitates co-
operation between dealer and customer and insures both quality and econ-
omy in everything purchased here. A trial purchase is the best proof.

SEE IF CHILD IS UNDERFED

Statistics Show Surprising
Number of Youngsters Not
Nourished Properly.

GOOD CHART IS OFFERED

Are your children well nourished? An estimate made by the superintendent of schools of one of our metropolitan cities is a startling revelation. This estimate shows that a surprising number of school children are decidedly underfed. Here are some of the causes given:

The first cause should make every parent analyze the diet given and partaken by the children of that family.

Are You Responsible?

The first cause is stated as parent neglect. This usually takes the definite form of insufficient breakfast. It is a strange and pathetic fact that a large percentage of the children of moderately well-to-do families come under this head. The reason children of such parents go to their studies under-nourished is either because they are allowed to play with their food and not eat it, or that they have been allowed to develop perverted tastes, desiring only a bit of sweet for breakfast. In some cases malnutrition is brought about by emotional disturbances at the breakfast table. The child sits with adults arguing and scolding about him, he becomes excited and the food he has partaken of does not digest so he cannot be assimilated and furnish body nourishment.

Many schools have established a penny lunch system. In such institutions the child can get the much needed nourishment during the morning.

The second cause listed is the home closed at noon because parents are both employed. Unless guided, the children who go to these homes will eat cold and insufficient lunches. That there can be no idea of balance of foods in such cases goes without saying.

The third cause listed is distance of school from homes.

Fourth, the need of additional food to build up previously depleted bodies.

The following chart has been made out to show what constitutes a balance of foods for a child of nine years.

The serving should be such as given an adult. Of the cereals give a cupful of cooked cereals, as a serving. Use top milk with cereal instead of cream. The cereal should be eaten without sugar to allow children to learn to relish the flavor of well cooked food. If there is a craving for sugar this may be satisfied by giving the child a small loaf of sugar or one piece of home-made candy after the meal.

The following chart is offered merely as a guide to the selection of the head of Mrs. Bassett and she is a nine-year-old child's diet:

FRENCH WILL FIX MAXIMUM WHEAT PRICE

[By Associated Press Leased Wire.] Paris, May 26, 12:30 p. m.—A decision to introduce wheat cards at an early date is understood to have been reached at a conference just held by Premier Ribot, Louis J. Malvy, minister of the interior, and Maurice Villet, minister of subsistence. Maximum prices will be fixed to prevent hoarding and speculation, and severe penalties will be inflicted on all acts tending to hinder fair distribution of wheat among consumers. The wheat card will give the right not to obtain a fixed quantity but to buy for a certain sum to be determined by a special scale. Wholesale butchers on their own initiative have fixed maximum prices for the time being. These prices represent a decrease of 10 to 15 cents a pound.

A NEW VOLUME ABOUT THE WAR

THE publishers of The Encyclopaedia Britannica announce that they have made arrangements for the issue, as soon after the end of the war as possible, of a new volume, containing a full and authoritative history of the war.

The new volume will be written by scholars and experts of the same high character as those who wrote for the Britannica itself, and by many of its own contributors. It will be absolutely impartial, excluding all partisan feeling and prejudice. It will contain:

1. A judicial account of the real causes of the war, the progress of the struggle, and the results all over the world; with maps, as necessary, to show changes in boundaries.

2. The lives of the new leaders, whether civil, military or naval, in the belligerent countries.

3. The results of the war outside the sphere of fighting, the progress of surgery, the prevention of contagious diseases, the new scientific discoveries, etc.

The new volume will bridge the gap between the days of peace before and after the war. It will be printed and bound to match the Britannica and the publishers guarantee that no matter how difficult and costly the supplementary volume may be from the editorial point of view, the price of it to all who purchase the Britannica during the present sale will not be more than that of a corresponding volume of the Britannica.

IMPORTANT—PLEASE READ

As so few sets are left of The Encyclopaedia Britannica, "Handy Volume" issue, printed on India paper, we are obliged to state that no order can be accepted with the privilege of returning the set. Any other course would be unfair to our customers and to ourselves. It is evident that we shall receive thousands of orders in excess of the number we can fill. To take back sets from some customers after refusing, for the want of stock, the orders of others, would be manifestly unjust to those whose orders were refused. It is understood, therefore, that this order for The Encyclopaedia Britannica is not subject to our usual rule of return of goods and refund of money. We guarantee delivery in perfect condition and that The Encyclopaedia Britannica will be exactly as represented. Please bear in mind that this is the condition on which we ask you to send in your order.

Movie Notes

Kathlyn Williams is rapidly getting in fine condition for trench digging in case on Amazon battalion fighting on the west coast. She is playing the wife of a mining prospector in her next picture and has spent several days traveling the California hills with a pick over her shoulder occasionally stopping to dig up suspicious looking rocks and boulders in the hope that they will prove Helen Holmes, high priestess of adventure in motion picture drama, presents more thrills in "A Knotted Cord," chapter 8 of "The Railroad Raiders," in which she is being starred by Signal-Mutual.

Chapter 8 shows Helen in a den of Chinamen, where she saves her sister Florence, who plays the role of Lady Heloise, from the band of Mongolian pirates into whose hands she

has been placed by the "raiders" after the sensational kidnapping in chapter 7.

Miss Holmes' friends have become used to seeing her swarm all over a freight train in motion. Eight hard battles on the sloping tops of passenger coaches, jump from fast trains into automobiles, and otherwise risk her life for fast action, but when it comes to climbing out of a ditch and flipping the rear platform of a passenger train running 20 miles an hour it is plain to everybody that the young actress has equalled past performances at least.

In India the widow formerly burned herself for her husband. The American widow takes another way-band and roasts him.

Women look upon marriage as a sort of exploring expedition to a country where the first savage they meet will be a husband.
